## the face of **EXTRAORDINARY CUSTOM HOMES** **Cornerstone Contracting**

**Sitting: George Pusser and Barbara Russell**  
**Standing: Jerry Pusser, Augie Miele and Sean Flood**

Cornerstone celebrates its 25<sup>th</sup> anniversary this year. With over 90 custom projects completed, their exceptional talent and diversity has earned them clients in New York City, family compounds, pool houses, barns and recreational buildings in Fairfield and Westchester counties.

Cornerstone is a dynamic construction company, enthusiastic about their projects, creative in finding solutions, and committed to providing the personal service to ensure success. They value their teamwork with clients, architects, interior designers, and engineers, and recognize their importance in the construction process.

This award-winning team is defined by superior craftsmanship, attention to detail, technical ability, outstanding project management, organization, and excellent value. Their projects, often complex and challenging, attest to this expertise.
